

Rock Climbing Amatitlan

Trip Description

In **Amatitlan** - hike up the magnificent rock walls on the shores of Guatemala's forgotten lake, and spend the day enjoying great climbs and beautiful views of nearby smoldering Volcan Pacaya.

Beginners can discover the excitement and challenge of top-rope climbing - Old Town guides can teach you basic climbing techniques, how to rappel down a 40+ft rock face, and how to safely and securely set up a top-rope so you can climb until your arms fall off!

More experienced climbers can choose from over 20 routes - everything from 5.9 cracks to 5.12 open faces. Top rope or lead climb - your choice.

Our group meets at Old Town Outfitters Shop in Antigua at 08:00hrs - where drinking water, bathroom facilities and retail outdoor equipment are available for our clients. Our drive to the cliffs on the shores of Lake Amatitlan or Esciuntla takes around 1-hour in private transport from Antigua to rock face.
