

El Zur MTB Park

El Zur MTB Park (Intermediate to Expert Riders)

Over 20 kms of flowing, rolling, blow your mind purpose built single-track bliss. Need I say more? The only of its kind here in Guatemala. We joined up with some friends of ours who own a mega swath of our resident volcan de Agua and hand built as much trail as we could. The top of the trail network is at 8,500 ft. which you will reach by 4x4 shuttle. Once you hit the trailhead you are sure to have fun coming back down the mountain on this great trail. There are plenty of switchbacks, lush forest, and awesome views!

Trip starts at 8:00am, lunch included.
